

Divyansh Atri

Student & Java Developer

 divyansh.atri@research.iiit.ac.in  +91 9816733300  Palampur, Himachal Pradesh

Education

IIIT Hyderabad

Currently pursuing higher education in Computer Science
2023 - Present

PM Shri School Daroh (GSSS)

Completed school education with excellence in academics and extracurricular activities
2021 - 2023

Technical Skills

Java Programming

90%

Object-Oriented
Programming

85%

Data Structures

88%

Algorithms

85%

Mathematical Modeling

90%

Problem Solving

88%

Achievements

Children Science Congress

Won the Children Science Congress competition twice, demonstrating exceptional research capabilities and innovative thinking
2021, 2022

National Level Wrestling

Competed at the national level in wrestling, showcasing discipline, dedication, and physical excellence
2022

Courses & Certifications

Calculus Specialization

Mastered advanced concepts in differential and integral calculus, including multivariable calculus and applications
2023 - 2024

Advanced Java Programming

Deep dive into object-oriented design patterns, data structures, and algorithm optimization techniques
2022 - 2023
